

# We Need You!

**The Cape Cod Canal is looking for volunteers to join our dynamic team at the Visitor Center in Sandwich this spring. We have two exciting positions available!**

**School Outreach Program Volunteer:** Assist seasonal and permanent staff educate third and fourth grade students about the Cape Cod Canal. Topics include: Canal history, navigational/recreational usage, coastal ecology, local flora and fauna. The Outreach Program runs late April until mid June, Monday through Friday from 10 am until 12 pm. Perfect opportunity for local college students or retired teachers!

**Visitor Services Specialist** Greet and orientate visitors, answer questions about the Cape Cod Canal and the local area, answer phones, keep track of visitation numbers, stock brochure racks, operate a cash register for a small bookstore in the Visitor Center, and assist in the daily operations of the Visitor Center.

Training is provided for both positions.
